

**Harbor Ham Un-club
Minutes 03/29/23**

A training class was held under a social agenda at the Base Station on the evening of March 29, 2023.

In response to questions raised in general discussion, a quorum was verified and a motion was passed providing that the club will adopt two tac frequencies, specifically 146.595 (HHUTAC1) and 446.595 (HHUTAC2) and that these frequencies will be published on the club web site.
