

Harbor Ham Un-club
Minutes 05/039/23

The monthly regular meeting was held at the Base Station, 315 7th St. in Hoquiam, starting around 11:00 am on Wednesday, May 3, 2023.

A motion was passed to add Jim Keebaugh, in his role as education chair, to the current executive as a “keyholder” to the shop.

For the Good of the Order and other notable topics:

- We now have a standard consignment form, initial price will be as agreed, automatically reducing 10% every 16 weeks, and the agreement will be for a minimum of 6 months. For items listed at \$25 or more the commission collected by the club will be 25%, and for cheaper items it will be 50%. Details of tax collection are being worked out and will be detailed in the store operating manual.
- Participants in the Hoquiam History event at Emmerson Manor reported moderate interest and seemed to have had a good time.
- The web committee reported that minutes are now available on the web site as PDF files. (The choice of PDF was actually constrained by our provider’s web template, it does not currently support text files.)
- The Hoquiam Business Association is folding and its assets will be liquidated and awarded as grants benefitting Hoquiam. Grant writers are welcome to send us their proposals in writing.
- The retail operations committee is fine tuning operations and will soon be ready to train additional volunteers
